

If you have a passion for **Paediatric Anaesthesiology,** an exciting career awaits you

SRCC Children's Hospital, managed by Narayana Health, is a tertiary paediatric care centre located in the picturesque Haji Ali locale of Mumbai. The hospital offers all paediatric subspecialties like Cardiac Surgery, Neurosurgery, Onco Surgery, Orthopaedics, Paediatric Surgery, ENT, Ophthalmology, Liver and Kidney Transplant, Foetal Interventions etc. in addition to medical subspecialties, under one roof and provides end to end services in Paediatric Anaesthesiology as well.

The one-year fellowship, affiliated with Indian Association of Paediatric Anaesthesiologists, is designed to provide a comprehensive experience that will allow a trainee to acquire and maintain knowledge, psychomotor skills and attitudes necessary to provide Comprehensive Anaesthesia Care to neonates, infants, children, and adolescents. The fellow will have ample opportunities to perform ultrasound guided regional blocks, invasive lines and be a part of acute pain services. The fellow will be part of a robust learning programme including both departmental academic sessions and IAPA national academic activities.

The patient population includes those scheduled for elective or emergency surgery, those with chronic illness and congenital syndromes, those who are critically ill or injured, those requiring anaesthesia or sedation for diagnostic and therapeutic procedures, and those suffering from acute and chronic pain. Anaesthesia Care Activities will take place in a wide variety of hospital settings including the operating room, post Anaesthesia Care Unit, inpatient hospital wards, imaging suites (MRI, CT, Cath Lab) and post-operative cardiac critical care unit.
