SCHEDULE OF CHARGES – JANUARY 2024

DHARAMSHILA NARAYANA HOSPITAL, DELHI

(EFFECTIVE FROM 01ST JAN 2024)

ABOUT THE HOSPITAL

For over two decades, Dharamshila Narayana Superspeciality Hospital (earlier known as Dharamshila Hospital And Research Centre) at Vasundhara Enclave in Delhi-NCR region was at the forefront of cancer treatment. Few Pioneering steps into the credit of Dharamshila Narayana Superspeciality Hospital is North India's First Cancer Hospital commissioned in 1994 with 200 beds, with the same objective of making Cancer Care Available, Accessible and Affordable. The Hospital is the first cancer hospital in India to get NABH Accreditation in 2008 for providing quality healthcare services. Our Laboratory Services are also accredited by National Accreditation Board for Testing and Calibration Laboratories (NABL). Dharamshila Narayana Hospital is the first hospital in India, given accreditation by National Board of Examination (NBE) for the Diplomate National Board (DNB) Programme in medical in 2001 and surgical & radiation oncology in 2004 respectively. Dharamshila Narayana is the first hospital of North India to start Post Basic Diploma in Oncology Nursing (PBDON) in 2010.

On 1st April 2017, the unit began its partnership with Narayana Health, one of India's largest network of hospitals and heart centres and started operations as Dharamshila Narayana Superspeciality Hospital.

Dharamshila Narayana Superspeciality Hospital is now a State-of-the-Art Multi Superspeciality Hospital with world-class medical infrastructure and an expert team of highly skilled doctors providing comprehensive medical care in more than 30 streams of clinical specialities including Bone Marrow Transplants, Cardiac Sciences, Gastro sciences, Liver Transplants Oncology, Orthopaedics, Neurosciences, Nephrology & Kidney Transplant, Urology.

With a rich legacy of upholding trust and providing innovative treatment approaches, Dharamshila Narayana Superspeciality Hospital has become one of the most preferred destinations for medical treatment in India.
