Diet Counselling & Life Style Modification

Clinical Research

Physiotherapy Clinic

Ambulance Facility

Laboratory Services

## FACILITIES

7 State-of-the-art Operation Theaters with laminar air flow |  
78-bedded ICU | 08-bedded HDU

State-of-the-art Cath Lab for Neuro & Cardiac Procedures

27-bedded high-end dialysis unit, one of the largest dialysis  
units in the region

Facilities of PET CT Scan, MRI, CT Scan,  
Mammography, Ultrasound, etc..

100% Image Guided Radiation Therapy Linear Accelerator  
for Fast & Accurate Treatment

24X7 Emergency & Trauma Care, Pharmacy Services,  
Blood Bank, Radiology Services

Triple Energy Linear Accelerators with VMAT technology,  
The sole Brachytherapy Facility in the UT

Dedicated Endoscopy & Bronchoscopy Unit

## SPECIALITIES

Cardiac Sciences

Gastro Sciences

Renal Sciences

Comprehensive  
Cancer Care

Neurosciences

Pulmonology

Interventional  
Radiology

Orthopaedics

Internal  
Medicine

Laparoscopic  
& GI Surgery

Emergency Medicine  
& Critical Care

30+ Other  
Specialities

# BILLING GUIDELINES

## Hospital Registration Fee

Rs. 100/-

## OPD Consultation Charges

- One follow-up OPD consultation would be 100% discount within 6 days of a surgical/Medical case.
- Only one IP consultation is applicable for primary consultant.

## Bed Charges

- Charges shall be levied as per rates applicable. Room rent includes laundry charges, patient's diet (as prescribed) and housekeeping services only.
- Nursing charges, and dietician charges would be charged extra.
- The billing starts from the time of admission.
- Procedures, Surgeries, Packages & Doctor Visit, etc. shall be charged according to the respective room category opted for as mentioned. A stay beyond 8 hrs shall attract full day room rent. 24 hrs billing cycle on room rent shall be applicable.

## Bed Transfer

- In the event of a bed transfer during the course of treatment, the higher category bed charges shall be applicable from the day of transfer.
- In the event of a bed transfer from the lower bed category to higher bed category during the course of treatment, the Surgery/packages would be charged as per higher bed category.
- For all procedures, surgeries, diagnostic services, and all other services rendered while the patient is in the wards, billing is always done at the current bed category charges.
- Overnight stay shall be charge as per higher room category.

# BILLING GUIDELINES

## Admission Directly into Critical Care

- In case patient is admitted to HDU/CCA bed directly, the charges for procedure/surgeries shall be as per the charges applicable to the semi-private room.
- Charges for any services performed in HDU / CCA will be equivalent to services availed as per the room category.

## Billing of OT & Anaesthesia Services Procedure / Surgery Charges

- The charges for any Procedure/Surgery shall be according to the Schedule of Charges.
- Operation charges, Anaesthesia charges, Surgeon fees is the part of package.
- Cath lab charges and professional fees is included in the package.
- Procedures and open billing for all items would be extra charged

## Food & Beverage Services

The Room charges are inclusive of Diet charges for In-Patient.

# BILLING GUIDELINES FOR OT

Two Surgeries/ Procedures in single sitting, following billing policy shall be applicable

- Higher value surgery shall be considered as principal surgery & shall be charged 100% of procedure Charges/ package charges.
- Subsequent surgery with Lower value shall be considered as minor surgery.
- Standard inclusions shall remain as per principal surgery.
- Shall be subject to differential pricing as per room category.

## Policy For Multiple-Surgery Billing (same sitting):

For surgeries billed as standalone services (open billing):

- The following is the policy for billing when more than one surgical service is rendered to a patient in the same sitting:

	Single Incision	Multiple Incision
SINGLE DEPARTMENT	S1 - to be billed at 100% of the rack rate	S1 - to be billed at 100% of the rack rate
	S2 - to be billed at 50% of the rack rate	S2 - to be billed at 50% of the rack rate
MULTIPLE DEPARTMENT	S1 - to be billed at 100% of the rack rate	S1 - to be billed at 100% of the rack rate
	S2 - to be billed at 100% of the rack rate	S2 - to be billed at 100% of the rack rate

# STATE-OF-THE-ART INFRASTRUCTURE

Out Patient Department (OPD)

Health Check Package Lobby

Cath Lab

Dialysis Unit

# Schedule Of Charges 2024

Note:-1. Charges are inclusive of Bed charges, Operation charges, Surgeon Charges, & standard Drugs & Consumables only.

2. Any stay beyond the package period would be chargeable on actual.

3. Medicine & Antibiotics Charged Extra. As per the Annexure-III

4. Package Start from One day before surgery.

5. All other procedures & cross consultations by other doctors charged extra.

6. Pre Cath profile is included in package.

7. Lab & Non Diagnostic Test would be charged extra as per the Annexure-II

8. CAG 50% will be charges tariff if performed same sitting with PTCA.

9. Non Ionic contrast would be excluded in Package.

10. Any stay beyond the above package days would be chargeable. Blood Processing Charge would be extra .

11. High value Consumables for PTCA etc, Micro catheters, Thrombuster Catheter, DOC Guide Wire Extension, reopro, integrillin, specialty wires (Miracle,

12. Choice PT ETC for CTOs) and specialty guide are not included in package & will be charged as per applicable hospital tariff.

13. All implants category like Stents, Coil, Devices, grafts blood, etc. are not included in package & will be charged as per applicable hospital tariff.

15. High value consumables to be excluded from package Annexure IV

16. Single /Multiple Department & Single/Multiple incision Annexure V

17. Open Procedure includes Anaesthesia charges, surgeon charges and OT charges only.

Note:-1. Charges are inclusive of Bed charges, Operation charges, Surgeon Charges, & standard Drugs & Consumables only.

2. Any stay beyond the package period would be chargeable on actual

3. Medicine & Antibiotics Charged Extra. As per the Annexure-III

4. High value consumables to be excluded from package Annexure IV

5. Package Start from One day before surgery.

6. All other procedures & cross consultations by other doctors charged extra.

7. Pre surgical profile include in package.

8. Lab & Non Diagnostic Test would be charged extra as per the Annexure-II

9. All implants, prosthesis, Mesh, tracker etc. charged extra.

10. Single /Multiple Department & Single/Multiple incision Annexure V

11. Open Procedure includes Anaesthesia charges, surgeon charges and OT charges only.
